57TH WICHITA GEM & MINERAL SHOW

Welcome to members of the Rocky Mountain Federation of Mineralogical Societies. WGMS is pleased to host this yearly convention that will include representation of gem and mineral clubs in 12 states.

Special Programs

Saturday, April 24 11:00 a.m.

“History and Treasures of the Tri-State Mining District” by Marv Dahmen, artist, historian and collector, from Carl Junction, MO. In conjunction with the Joplin, MO, Museum Complex Tri-State Mineral Wing. Stories of the minerals recovered from the mines in Kansas, Oklahoma, and Missouri, and efforts to preserve the dazzling crystal and mineral specimens.

Sunday, April 25 1:30 p.m.

“How Tri-State Mineral District Miners Worked” will include visuals of working conditions in the mines and tools used. Marv Hahmen has a large collection of mining tools and mineral specimens. He has also worked extensively in creating the exhibits featured in the Tri-State Mineral Wing of the Joplin, MO, Museum Complex.

Featured Exhibits will include crystal and mineral specimens from the Tri-State Mineral Wing of the Joplin MO, Museum Complex. See also what WGMS members and others have collected from the historic Kansas, Oklahoma, Missouri mines, and from throughout the world.

Special Things for Children: junior rock pile, gem hunt, gem wheel, grab bags, demonstrations and exhibits.
